

ASURA's ASRS Liaison

This material was prepared in March 2013 and includes input from Dick Jacob, ASRS Liaison.

General Information

The ASRS Liaison acts as agents of the Board to provide liaison and advocacy in relation to the Arizona State Retirement System (ASRS). Per the [ASURA Bylaws](#), the Liaison is charged to exert influence on targeted agencies as approved by the ASURA Board and in consultation with the [ASURA officers](#).

A. Membership

The Liaison serves at the pleasure of the ASURA Board.

B. Meetings

Arizona State Retirement System Board of Trustees generally meets on the third Friday of the month (see the ASRS [Board and Meeting Schedule](#) for exact dates, times, and locations).

C. Liaison Responsibilities

In all actuality, my "job" as ASRS liaison wasn't very complicated. I went to the monthly Board meetings (and occasional committee meeting), listened carefully to what transpired and, with the help of the agenda book which all visitors were provided, wrote a report to the ASURA Board and membership on such things I thought were pertinent to our interests. Although I was registered (by Jerry Aronson) as a lobbyist, there was never an ASRS-related reason for me to act as such.
